Commissioner Doria:

I am writing on behalf of The 7 Town Group. We are a group of mayors in Hunterdon County who work together on issues of common interest. Over the years our group has actually grown to more than seven, but the name has stuck. The proposed COAH rules are of paramount interest to all our towns.

We appreciate that staff from COAH are conducting a public meeting on February 5 in Flemington. However, it is the Council members themselves who, as appointed representatives, set the policies that affect us. While we welcome the opportunity to talk with the COAH staff, we believe it is important for the members of the Council itself to convene at that time to talk with us and with members of our communities. It is important that they hear firsthand our comments, concerns and suggestions.

On behalf of the following mayors, I respectfully request that the entire Council attend the February 5 meeting.

Mayor Nick Corcodilos: Clinton Township
Mayor Frank Mazza: Union Township
Mayor Christine Schaumburg: Town of Clinton
Mayor Tom Auriemma: Readington Township
Mayor William Voyce: Tewksbury Township
Mayor Rob Walton: Borough of Hampton
Mayor Steven Tarshis: Franklin Township
Mayor George Piazza: Lebanon Township
Mayor Mark Paradis: Lebanon Borough

Thank you for your kind consideration.

Sincerely,

Nick Corcodilos
Mayor
